More than 15,000 donated books are collected and distributed in December to local low-income children.

### Local History Series

This award-winning speaker series held each fall focuses on the vibrant historic tapestry of life in Brown County and Wisconsin.

### Born to Read Campaign

Reading kits are distributed to new parents whose babies are born at Green Bay's hospitals during National Library Week in April to encourage parents to read to children.

### Library Support

The Friends donate thousands of dollars to the library to support the summer reading program and state-of-the-art technology purchases, volunteer recognition and other requested items.

### Art Exhibits

A rotating collection of original art by local artists is featured on the Central Library's upper level.
