[Jedi Academy](#) by Jeffrey Brown (shelved under Star Wars)(first in series)  
 "Star Wars" meets "Diary of a Wimpy Kid" in the first book in this hilarious new series. Roan dreams of attending the Pilot Academy, but it looks like he's going to be stuck going to the Tatooine Agriculture Academy, learning to farm on the desert planet. He is shocked to receive an invitation from Master Yoda to attend Jedi Academy. Can Roan learn to use the Force? Will he be able to make friends with the other students, who come from all over the galaxy? Will any of the students ever learn to understand Kitmum, their Wookiee gym teacher? An excellent addition to both the Star Wars universe and to the illustrated novel world.

### [Virus on Orbis 1](#) by P. J. Haarsma (first in series)

JT, his sister, and two hundred other children have lived their entire life on a ship, traveling to a new life. Unfortunately, none of the adults survived the trip; so, when the ship lands on Orbis, the children are told that they will be responsible for working off the cost of their passage across the galaxy. They are split up to work for the wide variety of aliens who inhabit the colony, on top of going to school. JT has a rare skill that makes him highly valuable; but may also put him in grave danger. JT learns that he is a Softwire, the first-ever human one, and can talk to computers with his mind. When a virus hits the central computer system, all eyes turn to JT. Can he convince the authorities of his innocence, save the computer, and protect his sister's secret? The first book in a series full of adventure, aliens, mystery, and space

pirates, it is sure to capture the interest of sci-fi fans young and old.

Todd, the last boy in Prentisstown on New World, is about to become a man. When Todd was a baby, the Spackle, aliens native to New World unleashed the Noise virus, which killed all the women, and makes it so all thoughts of both man and animal are audible. When a small spacecraft crashes in the forest, Todd meets Viola, the sole survivor and the first girl he's ever seen. The spacecraft is the scout ship for a new wave of human colonists and the leaders of Prentisstown are none too happy. Todd, Viola, and Todd's dog Manchee, set off to try and find their way to the capital city where they will find allies against Mayor Prentiss and his newly formed army, which is in hot pursuit. The hope for peace hangs in balance, threatened by the tyrannical Mayor, who

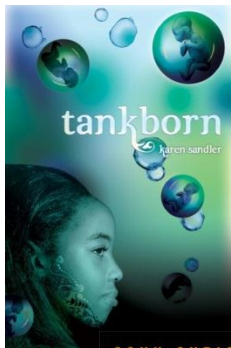

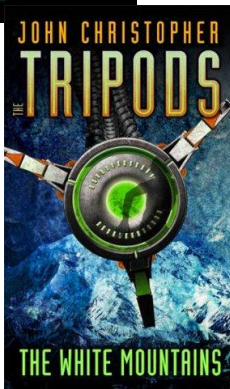

is planning a coup to take over the whole planet. The first in a dark violent science fiction trilogy.
