Share "1000 Books Before Kindergarten!"

For ages 0-6 and their adults

Reading and talking about books with little ones starting at birth is the best way to help them get ready to read on their own. This long-term project encourages adults to read as many books as possible to young children, with a chance to win a prize for each completed 50-book reading record.

For details and reading records, ask your librarian or go to: browncountylibrary.org/kids/early-literacy
