MTG ROOM AND STUDY ROOM USE		

MEETING ROOM AND STUDY ROOM USE

The Brown County Library is a not-for-profit, tax-supported institution. The library spaces are designed primarily for use in library-related activities. When they are not needed for programs sponsored by the library, they will be available for use by other groups, subject to policies established by the Library Board.

Groups shall not use the fact of the meeting's location at the library as an endorsement of their activity, view, product or services by the library, its staff, its governing board, or Brown County.

Publicity generated by a group or organization for a meeting, program, or event on library premises may recite the library name, address and appropriate room designation. Publicity may not identify or imply the library as a sponsor. The library phone number shall not be used as a contact number, nor shall groups use the library as a mailing address.

HOURS:

Meetings may be scheduled during the library's open hours.

All meetings, including preparation and clean up, cannot begin prior to normal opening time and must conclude 15 minutes before closing of the library, unless prior approval is attained. Meetings approved to begin prior to the opening of the library or concluding after the library closes may be asked to pay a Security Guard charge of \$20.00 per hour.

USES AND PRIORITIES AMONG USERS:

Premises may be used for programs sponsored by governmental agencies, non-profit educational and cultural organizations, community service agencies, and for-profit entities. Priority will be given to library-sponsored programs, followed by county agencies; city and state agencies; non-profit, civic and community organizations; and then for-profit entities.

In cases where a library or library-sponsored use conflicts with an earlier booking, the non-library booking may be cancelled or rescheduled. The library will make every effort to avoid these conflicts, however, time-sensitive opportunities may present themselves and the library is obligated to pursue them to fulfill its main mission.

Library premises may *not* be used for:

1. Any purpose which, in the opinion of Library Administration or managerial staff, may unreasonably interfere with the normal operation of the library.
2. An engagement by any group that has abused the facilities or rules in its earlier use.
3. Meetings and/or performances that could be reasonably construed as obscene.
4. Meetings or programs that would interfere with the library's operation by causing excessive noise, a safety hazard, or security risk. The library retains the right to stop meetings or programs that were approved but are disruptive in the same manner. Individuals attending meetings or programs must comply with all library policies and shall immediately cease

- actions deemed in violation of these policies upon request.
5. Meetings or discussions that intend or have potential to incite an immediate breach of the peace.
 6. Meetings or discussions that encourage or promote violence against or physical injury to individuals or groups of individuals.
 7. An individual, group, or organization that intends to engage in criminal behavior.

FREQUENCY OF MEETINGS

It is Library Board policy to encourage the widest possible use of library space by community groups as long as this use does not interfere with normal functions and regular programs of the library.

An organization or group not affiliated with the library or Brown County may reserve a meeting room no more frequently than 20 times in a calendar year, with the exception of meetings of Brown County governmental units and Library affiliated groups. Limits on the use of meeting rooms are established to provide as much access to the meeting facilities as possible to a broad range of organizations and groups. Limited exceptions may be made on a case by case basis and will be referred to the Executive Director, or in his/her absence, the Library Administration Management Team, for consideration.

APPLICATION AND SCHEDULING:

Reservation of meeting rooms is on a first-come, first-served basis, subject to the priority criteria set forth in this policy.

Reservations for the use of library space by non-library groups must be made using the online request form available through the library's website or by calling the library. Requests may be made up to 60 days in advance. Use of the online form implies agreement to the terms indicated in this policy.

The applicant must be at least 18 years of age to reserve a meeting room. Children and young adults are encouraged to use the meeting rooms but only with the supervision of one or more adults at least 18 years of age.

Groups and organizations may not schedule several alternative meeting times. The time and date of each meeting must be firm when a room is booked.

Groups that reserve space but do not occupy it are subject to loss of meeting room privileges unless they cancel prior to the scheduled reservation.

In the event of severe weather, the library retains the right to cancel or limit the time a group or organization has reserved for meeting room use. If possible, the library will attempt to contact the applicant in advance of severe weather cancellations.

Upon receipt of a properly executed reservation, the meeting will be reviewed and confirmed if the meeting purpose falls clearly within the approved policies. If approved, an email confirmation will be sent.

If there is a request for use that the policies do not clearly cover, the application will be

referred to the Executive Director or in his/her absence the Library Administration Management Team, who will either approve or deny. In cases where a booking is denied, a request for appeal to the Library Board may be made. If an appeal request is made, it must be made in writing to the Executive Director. Discussion of the appeal will be scheduled on the agenda for the first regularly scheduled Library Board of Trustees meeting that is held at least ten (10) calendar days after the Executive Director receives the written notice of appeal. The Library Board decision will be final.

If the applicant is not satisfied with the decision of the Library Board, he/she/it may seek a judicial determination as to the validity of the ruling. Brown County's legal staff shall be prepared to respond to the Court within five days of the applicant's filing of the request for a judicial determination.

No decorations, wall hangings, presentation materials, or any other items may be taped, stapled, glued, or in any way fastened to walls, ceilings or fixtures. The cost to repair any damage caused by the unauthorized placement of such items will be assessed to the applicant.

Except in emergencies, the library staff will not accept calls or relay messages to people attending meetings.

Groups, individuals, or organizations that break this policy may be subject to loss of meeting room privileges.
