(Name)_____'s

Reading Record

for books #____ to #____

Please list one book title on each of the 50 lines in this Reading Record.

Tip #1:

Read a total of at least 20 minutes a day with your child - anytime, anywhere. Keep it fun!

Tip #7:

Point out and talk about words, letters and their sounds. Help your child trace large letters with his or her finger.

Tip #3:

Read a rhyming story and let your child guess words to finish the rhymes.

Tip #4:

Make connections to real life, such as:
Have you ever seen anything like what is in that picture?
Did you ever feel like the character in the story?

Tip #5:

As you look through a book, ask questions about the pictures and give your child time to respond.

Tip #6:

Have your child guess what a book is about by looking at the cover.

Tip #2:

Let your child develop motor skills and learn how a book "works" by holding it and turning pages. Board book pages are easier to turn and more durable.

Tip #8:

As you come across new words, explain to your child what they mean.

When this Record is filled with 50 titles, you may fill out a 1000 Books Entry Form. Bring Record and Form to any **Brown County Library** for a chance to win prizes! Then complete another 50 books towards the 1000 goal!

For details, prize information, and reading records: ask your librarian, call 920-448-5846, or go to *browncountylibrary.org/kids/early-literacy*
