

Take the
Early Learning
ACTIVITY Challenge!

for ages 0-6 and their adults

WHY?

These simple, free daily activities help children build the basic skills they need to get ready to read when they are older.

Although you might win additional prizes by participating, the most valuable reward for you and your child is the fun time you spend together.

For details, prize information, and additional Activity Records/Entry Forms: ask your librarian, call 920-448-5846, or go to browncountylibrary.org/kids/early-literacy

HOW TO PLAY:

- Starting today, do at least six of the activities listed on one of the Activity Records with your child. (Check off the boxes for activities completed.)
- Fill out the Entry Form for that Activity Record.
- Clip out and turn in your Activity Record/Entry Form to any Brown County Library.
- Turn in up to six Forms each month.
- Each Form becomes a chance to win a prize!
- Get more Activity Records.
- Continue to play and enter until the program “end date” listed on the website.

Yes!

- *Activities toward the top of each list are appropriate for babies. Do whatever activities your child enjoys.*
- *Keep it fun – factor in your child’s attention span. You don’t need to complete each activity all at once.*
- *If you do activities with more than one child at once, you can check off the activities on each child’s separate Record.*
- *Encourage other adults to do these activities with your child – grandparents, babysitters, aunts and uncles...*
